3. DIPLOMA

Obtain your diploma at the Division of Registration (DOR). The DOR will start filing your graduation status to the immigration agency a few days after you collect your diploma.

The 15-day duration of residence starts when the immigration agency receives the report from the school.

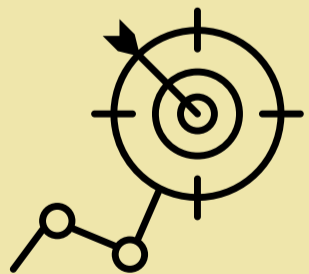

4. ARC EXTENSION

Apply for the ARC extension right after you obtain your diploma.

【Important】

Even if your current ARC status is due in September or anytime after June, you will still need to apply for the ARC extension immediately because you will lose your student status to stay in Taiwan legally once you graduate from NTHU.
